

Thank You

The Bethesda Presbyterian Church and Missions Team generously donated \$13,000 to benefit Moore Free Care Clinic's Mission in providing access to primary care and medication assistance for Moore County residents who are unable to afford basic healthcare.

The annual "Backyard Barbecue" involved 60 donors, 50 local businesses and artisans, 30 crafters and over 40 volunteers whose efforts produced a very successful community mission. The delicious barbecue was provided by Davis Clark and his crew.

Thank you Bethesda Presbyterian Church!
